REGISTRATION PLAN

GOVERNMENT WILL NOT BE OUT A CENT FOR WORK HERE.

MUCH PATRIOTISM SHOWN

All Through the County the Response Has Been Prompt and Hearty.

The whole work of conscription in Nodaway county is not going to cost the government one cent with the exception of that incurred for materials, according to the statement made by Augustus Romasser, deputy sheriff, this morning.

"The response of the citizens of the county to the call of the President in the interests of conscription has been splendid," said Mr. Romasser. "Every man appointed in Maryville to take part in the work has expressed his willingness to give his time to the registration, and in the townships of the county, the responses to our letters were prompt and hearty. In addition to this, the buildings used for election purposes were turned over to our use without a word of protest.

"These things most clearly show the patriotism of the citizens, and the readiness with which they stand by the government in upholding the laws.

All of the registrars for the townships of the county are now appointed. Walter Cochran will take charge of the work in the South Lincoln precinct at Dawson and John Schieber and August King have been chosen for Jefferson township, south, at Conception.

In Maryville E. E. Williams was appointed to assist L. C. Gann in the first ward. Albert Kuchs will assist R. P. Hosmer in the second ward. George Robb Ellison will assist Will Phares in the third ward and Fred Kurtz will assist Bert Raines in the fourth ward.

Sheriff John Dowden and his deputies are visiting the twenty-three precincts in the county today and are distributing the cards and making arrangements for the work to be done June 5.

Telegrams have been sent to the government in accordance with the requirements of the law, stating that Nodaway county is all in readiness to do its part in the work of registration.

FIRST PERSONS TO REGISTER

Victor and Wade Stuart of Leonard, Mo., Fulfil Requirements of the Draft Law for Non-Residents.

Victor Stuart and Wade A. Stuart, who live in Leonard, Mo., have the distinction of being the first persons to register with County Clerk Fred Yeomans under the provisions of the recently enacted Draft law. The Stuarts are employed with the Landon Music company of this city.

Issac N. Young, who has a government claim near Dwyer, Wyo., also registered with County Clerk Yeomans today. Mr. Young is visiting here with relatives near Bedison.

The persons who will be away from home June 5, or who are residents of other cities, are allowed to register.

Ready of Niles, Mich., who was injured in a collision with a jitney on East First street last Friday morning, died of his injuries at the Cline & Felix veterinary hospital at 7:30 o'clock last night. The horse's left front leg was broken and refused to heal satisfactorily. Mr. Ready will be in Maryville probably tomorrow.

Mrs. R. T. Dobbins and baby daughter, Donna Mary, of St. Joseph, arrived in Maryville Monday night to visit with friends and relatives.

NORMAL ANNUAL

FOUR HUNDRED COPIES OF "THE TOWER" ARE RECEIVED.

SHOWS ARTISTIC WORK

Dedicated to Dr. E. L. Harrington for His Work in Making the Volume A Success.

Four hundred copies of the "Tower" the Normal annual published by the Senior class, were received this morning and by noon two hundred of them had been sold to students. The price at which they were sold was two dollars each and payment was required in advance.

The book is an excellent production and especially for a first-year annual. It is printed on the best quality of enamel paper and well bound in burlap. A picture of the tower after which the book is named is placed on the front cover.

The "Tower" consists of 167 pages of engravings, reading matter and jokes. Over a thousand faces appear in the various pictures. The members of the faculty and of the freshman, sophomore, junior, and senior classes have individual cuts. The High school rank students have group pictures, and all the organizations of the school are represented. The athletic department occupies a large part of the book. In addition there are about 150 snap shots of school activities and students.

The first volume of the "Tower" is dedicated to Dr. E. L. Harrington who assisted the senior class in the publication of the book. Joe Lukens, president of the class, is the editor-in-chief, Miss Elizabeth Sobbing is associate editor and Warren Breit business manager. The entire staff deserves praise for the success of the undertaking.

The Normal school will buy 150 copies of the annual and a copy will be placed in every High school in this district. This makes the number already sold 350 and with the sale of the remaining 200 copies practically certain will insure financial success to the venture. The total cost was about thirteen hundred dollars.

ROY E. MARTIN ARRESTED

Roy E. Martin, manager of the Standard Plumbing Company, and also a member of the city council, was arrested this morning on a charge of using an iron pipe from the main water pipe across the street to the property of Edward W. Gray on Frederick street. The complaint was issued by James Smith, who is also a plumber and a member of the city council.

Martin pleaded guilty before Mayor Robey and was fined $25 and costs. It is said Mr. Martin will bring the matter up before the next meeting of the council to get them to change the ordinance and have the water company lay the pipe to the curb line. The ordinance now provides for lead pipe to be used.

CROWD AT FESTIVAL

Folk Dancing Program by Washington School Pupils Occasion of Much Favorable Comment.

The annual May Day Festival and Folk Dancing was given on the High School lawn this morning before a large crowd of spectators. The program consisted of fifteen numbers and was given by grade pupils. The numbers which were especially good were "The Jumping Jacks," "The Shoemaker's Dance" and the May Poles.

Miss Nell Hudson, teacher of the B Seventh grade, is the supervisor of the folk dancing, which is taught throughout the spring semester. She is assisted by other teachers in the grades.

The program which was given today contained some rather complicated dances which can only be rendered properly by steady practice.

The solo dance by Miss Ruth Miller showed great promise.

Superintendent J. M. McDonald explained to the audience how the folk dancing was taught in the school.

A silver offering was taken to defray the expenses of the entertainment.

THE WEATHER.

Unsettled weather, probably showers Friday and west and central portions tonight; somewhat warmer tonight southwest portion.

MRS. M'JIMSEY BURIED

Body Arrives In Maryville This Morning and Was Placed by Husband's Side in Oak Hill Cemetery.

The body of Mrs. Isabel McJimsey who died at the home of her niece at Veedersburg, Ind., Monday, was brought to Maryville this morning by her son, E. E. E. McJimsey of Springfield, Mo., and buried by the side of her husband, Joseph McJimsey in Oak Hill cemetery.

Services at the grave were held by the Rev. Gilbert S. Cox. The pall bearers were: W. C. Pierce, Ed Signs, Preston Seafers, G. B. Holmes, J. S. Shinabargar and John Airy. Mrs. McJimsey's two grandsons, Landor and Reade McJimsey, who are visiting in Maryville were present for the funeral.

WARD SCHOOL PROGRAMS

Large Crowds Witness the Closing Exercises of Grammar Grades — A Picnic at Franklin.

The programs at the Ward schools of Maryville yesterday afternoon were attended by large crowds who went to see the little folk perform.

At the Jefferson school ninety-five mothers and a number of visitors witnessed the play, "A Miracle of May." Little Cleta Murray as queen and Edward Dietz as king, were both excellent in their parts. An exhibition of the children's work in paper folding, sewing and weaving was a feature of the afternoon's program.

At Garfield school, no program was given, but the children were given a picnic by their teachers, Misses Ella Hazelrigg, Julia Denny, and Elizabeth Cook. The affair was held in the school yard and, after a series of games and races, a picnic lunch was served to about seventy children.

A large crowd of mothers and friends attended the program at the Franklin school. Choruses and recitations were enjoyed by the audience.

NEGRO CHILDREN PERFORM

Give Creditable Program at Douglass School — Also Display of Sewing and Manual Training Work.

The program given by the Negro children at the Douglass school last night was well patronized and was greatly enjoyed by the large crowd. The children showed excellent and careful training of Prof. E. O. Boone, Jr., and also of Mrs. Boone. The folk plays and songs by the primary grades were especially enjoyed.

The eighth grade graduate, Miss Pauline Mae Palmer, was presented with her diploma by Supt. J. M. McDonald, who made a few remarks, complimenting the teacher and children on the work accomplished during the last year. Short talks were made by J. R. Brink, president of the school board, E. E. Williams and Dr. Jesse Miller, members of the board, and by Prof. W. J. Osburn of the State Normal school.

One of the features of the closing exercises was the display of sewing and wood work done by Professor Boone's classes in Manual training and by Mrs. Boone's classes in sewing. This is the first year that the school children have ever done any of this kind of work and yet, both the sewing and wood work would have done credit to more experienced hands.

After the program the children served ice cream and pop. Today the Mothers club is holding a picnic on the school grounds, the money brought from this going toward the improvement fund of the school.

The Mothers club of Douglass school is an institution only a year old and a great work has been done by the mothers during that time.

One especially creditable thing accomplished was the purchase of a victrola for the school, by means of which the children will have the opportunity of becoming acquainted with the best music. The club plans to do many things next year in the way of improving the school.

E. M. Schaffer of Conception was in Maryville on business yesterday.

CLASS FIGHT DRAW

THE SENIORS AND JUNIORS EACH CLAIM GAINS IN BATTLE.

JUNIORS SECURE BANNER

Seniors Catch the Enemy and Tie Them to Evergreen Trees in the Normal Park.

The annual High School senior-junior class fight came to an abrupt and rough-and-tumble climax between the hours of 7 o'clock last night and 2 o'clock this morning.

About 9 o'clock the Juniors ascended to the roof of the Linville hotel via the fire escape and overpowered the two sentinels. They then removed the Senior banners and paraded through the business section of the town.

Meanwhile the Seniors had mobilized at the school house and came upon the jubilant Juniors unawares in front of Reuillard's. In a few minutes every Junior was securely bound and again made to parade the business section, escorted by the Seniors.

After the parade they were taken to the Normal campus and bound to trees in the evergreen grove. A little before morning they got free and went home sadder and wiser Juniors.

Police calls were the order of the night, but no harm was done and the boys conducted the affair in an orderly and sportsmanlike way.

The fight was a draw, since the Juniors succeeded in taking the Senior banner down, and the Seniors succeeded in tying up the Juniors.

Jewelry Is About The Only Gift That One Can Remember For A Life Time——

Therefore you should see that the graduate's gift should be of Jewelry. If it is your son or your daughter to whom you will give this token, long to be remembered, you should make it really worth while, and give them a gift of Jewelry. Or this applies equally well if the gift is for a friend or near relative.

These young graduates will be very proud of their graduation gifts and will treasure them not only on account of the givers, but also as the remembrance of an important occasion.

It makes no difference whether the graduate is from a grade school, high school, Normal school or college, we have something that will just fill the desire of each. Selection is easy here for we have the very gifts on display that you are most likely to choose. Then we'll be glad to make suggestions if you are in doubt.

But remember the time is short and you should make the selection right away. No matter what you want to pay, our large display gives you a wonderful choice from the more expensive to the less expensive.

sitions dominating the Ailler Valley despite the tremendous efforts of the Germans to recapture them. Violent counter assaults were put on by the Germans, in these districts all night but all were repulsed. On the Veauclerc plateau the Germans renewed their efforts to hold up the French advance against Laon, but these were likewise without success.

Huge masses of men were used by the crown prince in a fresh effort to check Nivelle's hosts, and severe losses were sustained by the Germans, whose attacks were pushed home with great vigor, but melted away under the terrific barrage fire of the French cannon and machine guns.

BANK ELECTS OFFICERS

At a meeting of the directors of the Farmers and Merchants Bank of Hopkins held at their banking house on Tuesday of this week, the following officers and directors were elected: James C. Pistole, president; Albert F. Mutti, vice-president; Oscar L. Mutti, cashier and Coy Shearer, assistant cashier.

Mr. Pistole, the new president, has been cashier of the bank for a number of years, and much of the success of the institution is due to his wide acquointance with the people and his integrity, the people having the utmost confidence in him. The new cashier, Mr. Mutti, has been with the bank for a number of years in the capacity of assistant cashier and is a young man of splendid business ability, and has, like Mr. Pistole, the confidence of the people, and his friends rejoice in his deserved promotion. Albert Mutti, the vice-president, is a well-known business man who has made a wonderful success since locating here some fifteen years ago. Coy Shearer, the new assistant cashier, is a young man who has grown to manhood in this vicinity and who everybody likes. With such a splendid coterie of officials, this bank will continue to grow and prosper.—Hopkins Journal .
